

# REQUEST FOR CITY COUNCIL ACTION

<b>City Council Meeting of 1/18/2010</b>	<b>Agenda Item: Consent Agenda Item</b>
<b>Originating Department: Parks and Recreation</b>	<b>Subject: MWA Growing Green Communities Fund Transfer</b>
<b>Action Requested: Resolution</b>	<b>Council Goal: Manage growth and revitalization</b>
<b>Include Cover Sheet:</b> <input type="checkbox"/>	<b>Legal: No Review Required</b>
<b>Executive Summary:</b>	
<p>The attached resolution transfers the sum of \$12,000 from the Metro Waste Authority's Growing Green Communities Fund, allocated to Ankeny because of its recycling efforts, to Parks &amp; Recreation for the planting and maintenance of native landscape beds in the following parks and public areas:</p> <ul style="list-style-type: none"> <li>-Precedence Park</li> <li>-Vintage Park</li> <li>-Horizon Park</li> <li>-Prairie Ridge Sports Complex Biocell</li> <li>-Watercrest Park</li> <li>-Police Station</li> <li>-West First Street Biocells</li> <li>-SE Delaware Median Native Plantings</li> </ul>	
<b>Fiscal Impact:</b> Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	
<p>The fiscal impact is a savings out of the general fund in the amount of \$12,000. The money held in the Growing Green Fund is specifically for projects and initiatives such as the one being proposed here.</p>	
<b>City Manager's Recommendation:</b>	
<p>Approve Resolution transferring \$12,000 from the Growing Green Communities Fund to Parks &amp; Recreation for the planting and maintenance of native landscape beds in parks and public areas.</p>	
<b>Previous Council/Commission/Board Action(s):</b>	
<p>The Council has previously stated that they endorse conservation design efforts.</p>	
<b>Public Outreach Efforts:</b>	
<p>Tours of several of our native landscape efforts have occurred over the past several years.</p>	
<b>Action 1:</b>	
<p>Consider motion to adopt RESOLUTION approving and authorizing the transfer of funds held by the Metro Waste Authority for the City of Ankeny from the Growing Green Community Account to the Parks and Recreation Department for funding and maintenance of native planting beds in parks and public areas.</p>
